

## ADM Aeronautical Decision Making: Last link in the chain

This session, presented by a local Designated Pilot Examiner, will provide a review of the tools available to pilots and flight instructors that should be used to mitigate risks when flying. The seminar times: 10 AM - 11 AM.

**Directions:** FL Aviation Center is located across from the Flightline Maintenance facility. Parking is available in front of the classroom, look for the FL Aviation Center's sign on Hanger A.

If you fly to the event, advise ATC you would like to park on the south ramp via taxiway "J".

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
